

Graduate – The Nature App Manager

The Nature App is an innovative, cutting edge new app, created by Safety Revolution and Merit Check, which enables users to record animals, plants and insects found in the environment, as well as recording areas of specific environmental or conservation interest. Users can record sightings, share sightings, create maps and add markers, allowing them to track and analyse trends. The app is customisable and is aimed at the UK farming and estate sector, as well as the great British environment enthusiast.

We are looking for an exceptional graduate to manage The Nature App's journey from the completion of the first stages of development, out into the marketplace. You will be working with and inspiring farmers, the public and the media to use and shout about what is set to become the country's leading conservation recording solution. Your ongoing liaison between the end user and our development team will ensure the enduring relevance of the app. You will be confident when reaching out to establish and maintain your professional network, knowledgeably speaking about conservation, agriculture and the role software plays within these areas.

About you:

We would envisage the successful candidate to have a background in either:

- Agriculture / Agriculture with Farm Business Management / Agri-Business / Rural and Estate Land Management
- Conservation / Environmental studies

The successful candidate will ideally:

- Have a genuine understanding of agricultural and the farmed environment
- Be passionate about integrating environmental management into farm and estate businesses
- Have a familiarity with Natural Capital, sustainable farming, Environmental Stewardship Schemes, CAP reforming and the new Environmental Land Management Schemes
- Have a genuine interest in environmental and wildlife conservation
- Be interested in simple, effective tech solutions
- Be a great communicator with exceptional interpersonal skills,
- Be commercially driven whilst remaining passionate about the environment
- Be able to inspire, engage and build strong professional relationships with people at all levels

This is an excellent opportunity for a confident, ambitious individual to build a dynamic and rewarding career. You will be a high flyer, motivated by personal and professional growth and keen to become a leader. You will be fully supported by experienced mentors and colleagues who believe in trusting employees with responsibility and ownership.

The role will be based in our office in Witney, Oxfordshire, with regular nationwide travel.

Candidates can expect an excellent graduate starting salary of £30,000.

Benefits include company car, healthcare, pension and bonus schemes.

Full UK driving licence is required.

Closing date: Monday 19th July 2021

To apply in confidence please submit a CV with cover letter describing what you can offer to the role, to Sophie Walker at s.walker@safetyrevolution.co.uk.
